

DESCRIPTION

All for Stone Patio Deep Clean™ is a fast acting and effective cleaner designed to remove black spot algae and green algae. Patio Deep Clean™ will also treat most organic, coloured food staining such as tea, wine, coffee, cola, iced lollies etc and is suitable for organic staining from birds, berries, leaves, trees, bark, wood, seed, pods and flowers.

USES

Use on natural stone, wet cast concrete tiles (replica flagstones), pressed concrete tiles, marble, porcelain, ceramic and exterior patios, paths and walls. Patio Deep Clean™ will NOT remove cement, grouting, paint, wood preservative stains, oil or mineral type contamination.

TEST FIRST

Due to the nature of different surfaces, you should do several test areas in inconspicuous areas according to the label instructions to determine surface colour stability and desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS

1. **Always test first;**
2. Read entire label and product technical bulletin before using;
3. Wear appropriate skin and eye protection;
4. Use when surface temperature is between 10°C and 25°C;
5. Shield treated surfaces from rain for approximately 4 hours.
6. Protect plants, textiles, metals, wood etc. as product will damage these surfaces.

INSTRUCTIONS

1. Remove loose surface dirt with water and a brush;
2. Stone should be damp (wet area with water if required but remove surface puddles before applying PATIO DEEP CLEAN);
3. Apply undiluted PATIO DEEP CLEAN to a small test area. Use enough to properly soak the face of the stone. Distribute evenly with a brush;
4. Check progress frequently (every 2-4 hours);
5. Allow to work for between 2 and 6 hours, depending upon contamination.
6. Rinse well with water and a brush when surface is clean or use a pressure washer.
7. In the case of very severe soiling or stubborn black spots it may be necessary to repeat the process.
8. For soiling that is easily removed within 2-4 hours you can try using the product diluted 1:1 with water. Test diluted product again to ensure effective removal of soiling.
9. For larger areas PATIO DEEP CLEAN can be applied with a low pressure garden sprayer.

LIMITATIONS

- . For external use only;
- . Do not mix with other cleaners or allow product to come in contact with any non-recommended surfaces.

COVERAGE

Approximately 4 - 8 square metres per litre. The coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution left on surface, the application method, severity of the problem and dilution used.

HANDLING AND STORAGE

- Close container tightly after each use.
- Store in original container only up to 12 months.
- Store in temperatures between 4°C and 32°C.
- Keep off of all other surfaces, clothing and plants.
- Keep out of reach of children and animals.
- Dispose of in accordance with local authority regulations

SPILLAGES

Spills of up to 1 litre may be washed into drains with water. Spills of over 1 litre should be absorbed with a suitable absorbent, e.g. sand or sawdust.

FIRST AID

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting
IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water.
IF INHALED: Remove person to fresh air and keep comfortable for breathing.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up.

SAFETY DIRECTIONS

Wear protective clothing including overall, gloves and eye protection to prevent skin and eye contact.

WARNING: DANGER

Contact with acids liberates toxic gas. Causes severe skin burns and eye damage. Very toxic to aquatic life. Keep out of reach of children. Do not breathe spray. Wear protective gloves/protective clothing/eye protection/face protection.

Contains: **SODIUM HYPOCHLORITE**

WARRANTY

All for Stone Limited warrants to the original purchaser of its products that such products are free from manufacturing defect and does not warrant or guarantee the workmanship performed by any person or firm installing its products. The obligation under this warranty is limited solely to the original purchaser and solely shall be limited to the replacement of the product sold. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with the printed instructions. The manufacturer makes no other warranties either expressed or implied. The end user must determine the suitability of the product for their intended use.

ALWAYS DO A TEST FIRST
